ACTIONS TAKEN TO IMPROVE INTELLIGENCE CAPABILITY

1. (TS/HVCCO) Commando Lance/Comfy Echo (C130 ACRP): Daily flights are conducted covering eastern, central, western, and northern Cambodia. Combat Cougar (EC-47) ARDF sorties are flown daily over the Highway 19 and Mekong River (North) areas of Cambodia. Four (4) intercept positions covering Cambodian communications to the Ubon site have been added. An MRDF Flash position has been installed at Ubon to improve MRDF activity against Cambodia.
